[SDGs 3] Good Health and Wellbeing

[3.3.6] Does your university as a body have a ‘smoke-free’ policy

Smoking is prohibited on campus

In response to the amendment to the Tobacco Harm Prevention Act, NCUT has stipulated a complete ban on smoking across all college and university campuses. The Student Affairs Office held a meeting on February 15, 2023, to discuss the abolition of smoking areas on campus. Starting from March 1, 2023, smoking will be entirely prohibited on campus.

An announcement was made on the school website, and a notification letter was issued, requesting all teachers and students to discourage illegal smoking on campus. Any instances of illegal smoking will be reported to the relevant authorities for appropriate action, and there will be a concerted effort to strengthen anti-smoking publicity to maintain a smoke-free environment.

Teachers and students who wish to quit smoking can seek consultation from the Health Protection Section of the Academic Affairs Office, the Academic Affairs Section of the Department of Continuing Studies, or the Environmental Safety Center. They can also contact the smoking cessation hotline at 0800-636363. These units will provide or refer resources from medical institutions and health units promptly, aiming to enhance teachers' ability to quit smoking and promote a healthier lifestyle.

Web announcement

The screenshot shows a website announcement from National Chin-Yi University of Technology (NCUT). The header includes the university logo and name in Chinese, along with navigation links for services, website, calendar, and English. The main announcement text, in red and black, states that effective January 12, 2023, after the amendment to the Tobacco Harm Prevention Act, all smoking areas on the university campus have been abolished. It warns that violators will be reported to the law. To the right is a 'NO SMOKING' sign with a cigarette icon crossed out. Below the sign, it states a maximum fine of NT\$10,000 for violators and provides a smoking cessation hotline at 0800-636363. At the bottom, there is a navigation bar with icons for '關於勤益', '院系簡介', '研究與產學', '招生訊息', '學生事務', and '校友服務'.
